\$1,448 Net

**NET PROCEED COLLECTED FROM THE GALA**

*As for contributions, our Treasury's report indicated that after expenses the net total proceed received was \$1,448. (For details, please see the contribution list on the next page). This amount is astounding and we are very grateful for your generous contributions. In past years, we developed programs in Lao traditional dancing; Lao language class; Recognition and Award; and Recreation and Activity. Each year, it costs the organization about \$10,000 to fully manage and operate the programs. Because Lao American New Generation Inc. is a non-profit organization, we rely solely on public funds to manage and operate the programs. Therefore, your contributions will greatly benefit the children and also, help preserve Lao heritage in Connecticut. Again, thank you very much for your support!*
